IWG/D-31
Control No. 443577
10 June 1953

MEMORANDUM FOR: IWG

SUBJECT: Transmittal of Defense Draft Working Paper on "Strategic Importance of Dichlorodifluoromethane (Freon 12) to the Soviet Bloc"

The attached document is submitted, at the request of the OSD member on IWG, for review by members of IWG to obtain any additional intelligence available on the subject which may supplement, or be in conflict with, that in the paper. It is requested that such intelligence as you consider pertinent be submitted to the Executive Secretary at the IWG meeting scheduled for 18 June 1953, or that he be advised by telephone prior to that date of your approval of the paper in its present form.
